

Dear Friends, Parents, Partners & Supporters...

We are thrilled to introduce our inaugural newsletter and provide you with a way to stay up to date on our progress, milestone moments and latest news about our nonprofit journey.

Today we proudly announce the official launch of Our Children Have Rights .Org!

Our Mission:

Protect the rights of children to have access to parents by providing education, resources, and support services for successful co-parenting strategies.

The [OCHR.Org](#) Story:

Many say timing is everything. Whether by coincidence or good timing, I happened to reconnect with my dear friend, Jake Hornstein. We spoke about my journey and shared our visions to support children by helping parents protect their children's rights. We knew we could build something meaningful and special for others. Our planning led us to establish a web-based nonprofit that we named Our Children Have Rights .Org, which pulls together resources and tools to facilitate the difficult process that I (and many others) have navigated, sometimes unsuccessfully.

We're on a mission... A mission to protect the rights of children to have access to parents by providing resource services for successful co-parenting strategies. **Why? Because Our Children Have Rights, and those rights must be safeguarded.**

Greg Hill

[OCHR.Org](#) is built around **3 Main Pillars of Focus:**

Legal Aid:

We provide easier access to the resources, tools, and guidance that will help parents achieve a successful legal outcome.

Education:

We provide free educational resources to further assist and better equip parents through their journey.

Mental Health & Wellness:

Through our partnerships, we offer on-demand licensed counseling and resources to help ease the mental stress of each parent's journey.

Sending a huge THANK YOU to all of our partners!

We want to recognize the inspiring organizations that we have partnered with. Each organization has contributed resources and services to our website. A special shout out to...

- By partnering with [SmartCounseling.com](https://www.smartcounseling.com), we can offer parents on-demand access to vetted licensed therapists at a **special discount rate of 25% OFF any of the available services plans**. This partnership allows us to immediately serve the mental health & wellness needs of parents across 43 states.
- We are incredibly proud to have joined forces with **Baby Out Of Wedlock**, who has been an exceptional contributor and partner of [OCHR.org](https://www.ochr.org). Thank you, Jim & Jessica Braz, for your collaboration and continued efforts to further each other's mission.
- A special thank you to **The Father's Rights Movement (TFRM)**. TFRM is a group of men and women who are committed to helping loving fathers enjoy their full rights and responsibilities, as well as helping children have their fathers in their lives. Thank you for your leadership and all that you do across the entire country.
