IN THE COMMUNITY:

The Children's Trust Champions For Children Awards Luncheon

Greg & I were honored to be event sponsors at The Children's Trust 16th Champions For Children's Awards Ceremony. The Children's Trust prides itself on making an impact in the lives of all children and families across Miami-Dade & Broward County, a community that is near and dear to OCHR.Org.

Our children & families are better served because of the buy-in of the business partners, civic organizations and other community stakeholders that care deeply about the community. The Children's Trust has been great to us... With their help & leadership, we've collaborated with a number of great program partners throughout Miami-Dade & Broward. These relationships have expanded our direct access to parents & families, while also adding more resources & service providers throughout the two counties.

– Jake, Co-Founder & COO

OCHR.Org Celebrates their First Grant from Florida KidCare:

Our grant from Florida KidCare gives us the opportunity to build on our partnership with the State of Florida and promote the state's quality and affordable health and dental insurance coverage to the parents and families that we serve. It's also led to additional community outreach opportunities and events with program partners like:

We have adopted Sand Key Park & Beach— Clearwater, Florida!

Adopting Sand Key Park & Beach gives us a unique opportunity to further give back to our community and create volunteer events with other organizations.

On July 17 and July 31, groups of 16 volunteers removed 100+lbs of litter from the beach, boardwalks, parking lot & picnic areas. **If you or your organization would like to participate in a volunteer event and help us clean up the beach and park, please reach out to us!**

If you live or have a case in Hillsborough, Manatee, Pasco, Pinellas or Sarasota FL counties, BALS may be able to help. – Jake, Co-Founder & COO
